

Dear NYS Car Wash Association Members,

I hope that this letter finds you healthy and washing cars! I would like to take a minute to reinforce the New York State Car Wash Association's (NYSCWA) position regarding discrimination of any type regarding employees and/or customers. The NYSCWA supports the New York State Human Rights Law 296 (2) (a) that prohibits discrimination *on the basis of race, creed, national origin and other protected statuses by places of public accommodation, including "retail stores and establishments dealing with goods or services of any kind."*

Please visit NYSCWA.org for more information on this topic and "everything carwashing" in New York State.

Walter Hartl, NYSCWA President
